BioLogic

BCS-900 Series

Premium Battery Cyclers

When cell design decisions deserve **precision** & **accuracy**

- **From coin to prismatic cells**
- 150 mA to 300 A - multi ranges

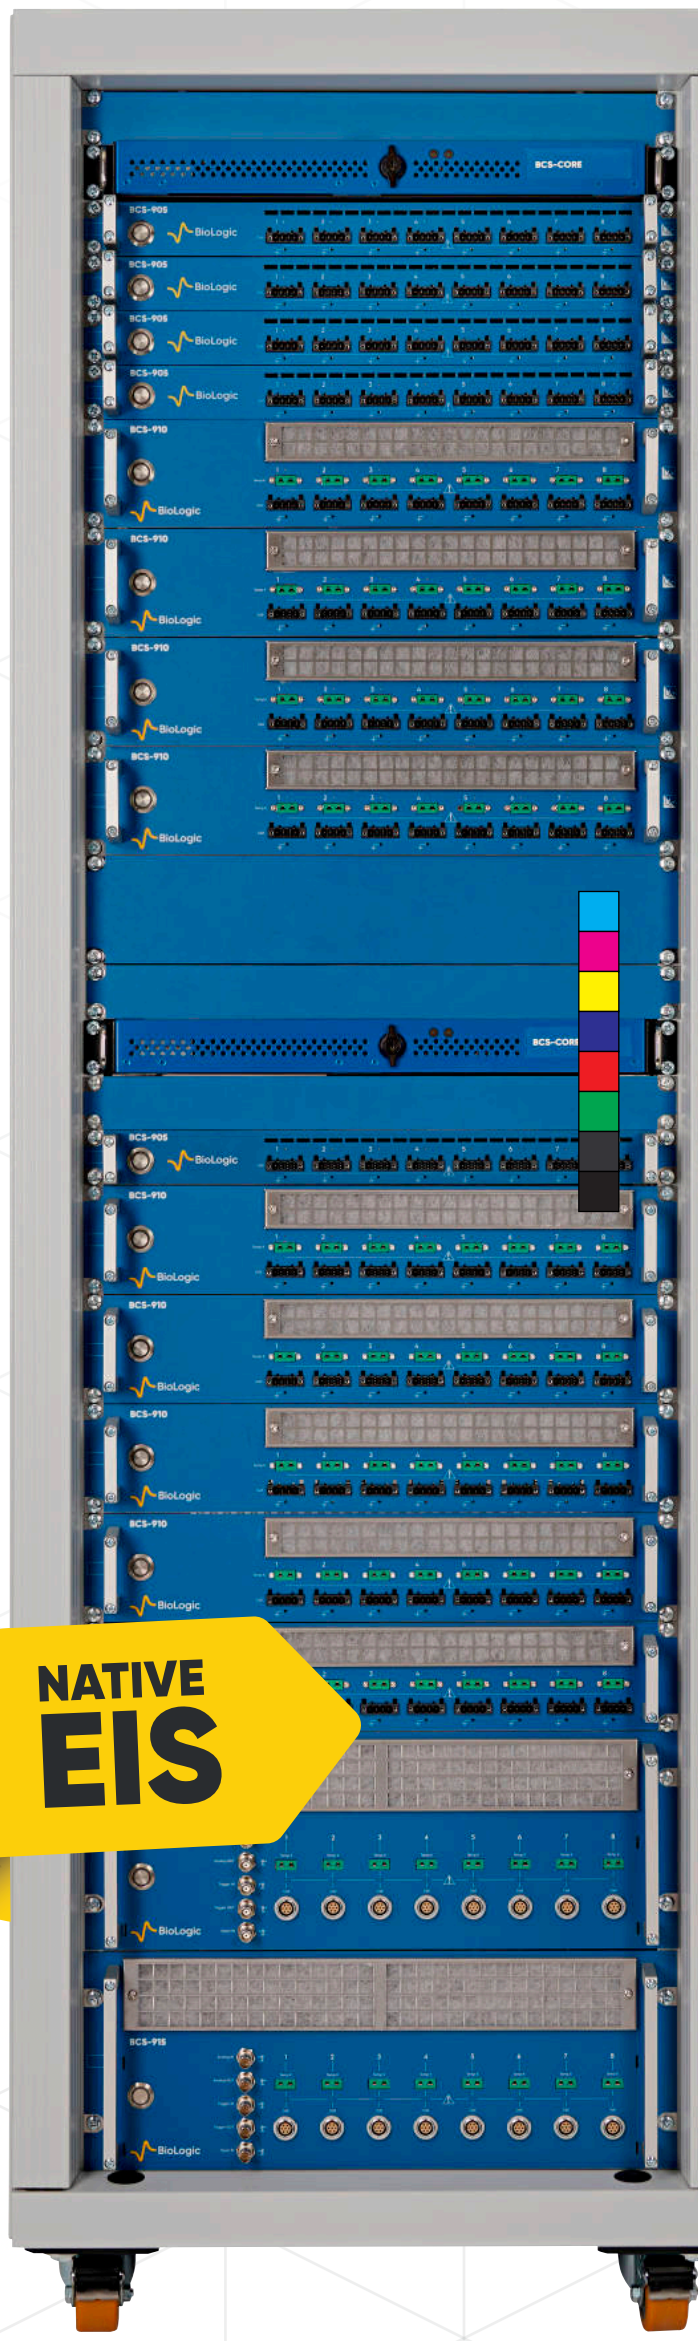

- **All-in-one native EIS**
  from 10 kHz to 10 mHz

- **For research & industry**
  voltage from -5 V to 10 V

BT-Lab Suite®

- **BT-Test™ - Control, measurement & monitoring**
- **BT-Analysis™ - Automated batch data processing & display**

NATIVE EIS

Shaping the future. Together.
